Recorded in Seattle, Washington November 11th – 13th 2016
Recording Engineer: John Paul Michaels
Graphic Design: Adrianne Koteen

For ease of reference all track titles and times are noted on the CDs.

Do not listen to the sound meditations or sound explorations in situations requiring alertness.

If you would like to view and/or download the class handouts for this workshop, free of charge, go to the Articles section at www.tomkenon.com and click on Transition States - Class Handouts.

As mentioned during the workshop, you can listen to the original recording of the Aetherium by going to the Listening section at www.tomkenyon. You can listen to and/or download this sound meditation, free of charge, for your own personal use.
