

# BIOPHOTONIC HUMAN

— TOM KENYON This set of 8 CDs is a collection of live-recordings from a Hathor and Arcturian Intensive with Tom Kenyon that took place in Seattle, Washington May 9-11, 2014.

For ease of reference, the track titles and lengths are noted on each CD.

The information and sound explorations in this collection are for the purpose of self-education and self-exploration only. They are not a psychological or medical treatment. If you are suffering from a psychological or medical condition, you are advised to seek professional attention.

Do not listen to the sound explorations and meditations in situations requiring alertness such as driving a car or operating machinery.

Recording Engineer: John Paul Michaels  
Mastering Engineer: Brandon Busch,  
Sound Media Productions, Seattle, WA  
Graphic Design: Adrienne Koteen
