

“These are “spirit songs” from the mythic and spiritual realms. Listening to them with your full mental focus can open doorways to new ways of experiencing yourself.

I created these “songs” to be dynamic and potent allies to explore my own inner worlds. I trust they will do the same for you.”

Tom Kenyon

Stereo headphones are suggested.

Heart Song 10:26

A song from the inner heart

From the CD set, *Biophotonic Human*, recorded live in Seattle, Washington, 2014

The Voices of Iona 5:13
